Always

Amazed
Because you loved me
Beautiful in my eyes
Breathe
Can't help falling love
Crazy
Crazy for you
Endless love
Everything I do
Faithfully
From this moment
Have I told you lately
Here & Now
Hold me, thrill me, kiss me
How do I live without you
I believe in you & me
I cross my heart
I don't wanna miss a thing
I finally found someone

I hope you dance
I love you
I only have eyes for you
I'll always love you
In the still of the night
If you say my eyes
Just the way you are
Keeper of the stars
Landslide
Lady in red
Let's get it on
Let's stay together
Only you
Power of love
Since I don't have you
Summer wind
Strangers in the night
True companion
The dance
The way you look tonight
There you'll be
Through the years
Time to say goodbye
Unchained melody
Unforgettable
Valentine
What a wonderful world
When I fall in love
What a wonderful world
When a man loves a woman
When your old wedding ring
When you say nothing at all
Wonderful tonight
You are so beautiful
You belong to me
You're the inspiration
You're still the one
